## NYSERDA opens archery deer hunting at WNYNSC

The **New York State Energy Research and Development Authority** will offer its annual deer hunting program at the **Western New York Nuclear Service Center** in the Town of Ashford Oct. 1 through Nov. 19. Approximately 1,500 acres will be open for hunting; participants must register for archery hunting online. Scouting will be available Sept. 25 and 29; participants must register online for scouting. Crossbows will be allowed the last two weeks of archery season (Nov. 6 through 19) for crossbow-certified hunters aged 14 or older; junior hunters (aged 12-13) will not be allowed to use crossbows during the crossbow portion of archery (Nov. 6-19) on **NYSERDA's** property.

**NYSERDA's** program is open to anyone with a valid 2021-22 New York State Department of Environmental Conservation Big Game or Sportsman License, and allows up to 10 hunters per area per day to hunt each scheduled day on a first-come, first-served basis. Hunters must complete an online West Valley Deer Hunting Application to participate in this year's program from **NYSERDA's** West Valley deer hunting website.

They must complete an application to participate in **NYSERDA's** program; preapproval is mandatory. As per DEC regulations, licensed junior bowhunters (aged 12-13) must be accompanied by a parent, legal guardian or "youth mentor" who is at least 21 years of age. Junior hunters (aged 14-15) must be accompanied by a parent, legal guardian or person 18 years or older. No minors under age 12 will be allowed in the field.

For additional information regarding this program, visit **NYSERDA's** West Valley deer hunting website NY or contact the Deer Hunting Coordinator, Alita Dueringer, at 942-9960, ext. 4990.
