

TOWN OF ASHFORD

have been friendly with, we are very disappointed that we have not been or at least considered to be contacted for a study to the elimination of certain support projects. Including the sewer system, water supply system, and certain buildings.

5. We, as the local community, are very concerned with what appears to be a quick suggestion to remove buildings. Our town is presently suffering a major problem caused by the very rapid and not researched removal of approximately 80 temporary
